STATEMENT

To Akron Workingmen by the Banner Liquor House.

I have opened in Akron, corner Main and Exchange sts., a saloon, known as the "Banner Liquor House."

The business is on a solid basis, and conducted on liberal principles.

I have also opened a liquor store in connection with the saloon. My determination is to sell union goods, and to patronize the city breweries, and give every laboring man his money's worth.

I know how hard the laboring man has to work for his dollar, and also know that every man wants his money's worth. As a result of this I have adopted the principle: "Quick sales and small profits." I retail wine, whiskey and cigars at wholesale prices, and give large glasses of beer for 5 cents, and a large glass of whiskey for 5 cents; free hot and cold lunch all day.

I have determined to do the best that a business man can do. Certainly my place enjoyed a good business, as was expected, but for unknown reasons Messrs. Renner and Burkhardt notified me that they could and would not sell me any more beer.

I would like very much to handle their beer and would like to have them explain why they can't sell it to me. This is not only an insult to me but to my customers as well.

I will rest my case with the workingmen and citizens and feel assured that they will not blame me for handling out side beer in the future.

Soliciting your further patronage, I remain yours very truly,

The Banner Liquor House,

JOE POLSHEK, Prop.

Worth Knowing.

SUCCESS.

Splendid Exhibits at Fair This Year.

Large Crowds Expected During the Week--The Races.

The Summit county fair opened today in a manner that indicates a big success. The attendance was as large as usual on the opening day, and the exhibits and attractions are all in readiness for the visitors.

Not for many years have the stock exhibits been up to a better standard. There is good live stock in Summit county, and it is well represented at fair.

There will be a varied list of attractions each day that will entertain and delight all. The racing program is strong, with some of the best horses in the country booked, and the contests will be exciting.

It is believed that the crowds Wednesday, Thursday and Friday will be great, as many out of town people have already begun to arrive and trains will bring thousands the last two days.

Thursday will doubtless be a record breaker for its crowds.

Big Master, the biggest and best 5c bar of soap made. For sale by all principal grocers. One trial will convince you that it lightens the task of washing. It will not injure the finest fabrics.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or a buzzing in your ears, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube, deafness will be permanent, and may cause insanity. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can be cured by Hall's Catarrh Cure. Send for circulars, free.

TRAINS LATE.

Freight Wreck at Chicago Junction—Poor Connections.

Passenger train No. 46 on the B. & O. was delayed about four hours Tuesday morning on account of a freight wreck near Chicago Junction. Passenger train No. 5 on the Erie, due at Akron at 7:05, arrived shortly before 10. The delay was caused in making connections. A large number of persons who had been in attendance upon the reunion of the Old Settlers of Indiana and Ohio, at Huntington, Indiana, returned home on No. 5.

James Reed Injured.

Mr. James Reed, struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whisky in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Mr. Reed is one of the leading merchants of Clay Court House, W. Va. Pain Balm is unequalled for sprains, bruises and rheumatism. For sale by all druggists, E. Steinbacher & Co., wholesale agents.

Physicians' Meeting.

J. J. Brasaele's 5c and 10c Store Gets the Business.

Geo. Watt, for many years connected with his brother Robt. Watt in the dry goods business of this city today purchased a \$3,000 stock of 5c and 10c goods of J. J. Brasaele, proprietor of the "Big Store of Little Prices," and will engage in this business under the name of Geo. Watt & Co., at Steubenville. The wholesale business of J. J. Brasaele is flourishing and it seems difficult for wholesale competitors to cope with "The Big Store of Little Prices."
